

WORKSHOP FEEDBACK

COLLATED BY THE
CONFERENCE ELVES

2014 Conference

- Phases of development in puppies (best practice/ early development for work)
- Positive reinforcement in livestock herding
- First aid in remote areas
- Informative overview of all sectors (as per Cunnington/greyhounds this conference)
- Clarity on end points for dogs in different sectors and options available for career change (e.g. ADF)

2014 Conference

- Nutrition (incl. snacking/feeding for working dogs) and Hydration for optimal performance
- Selection and recruitment (best practice/standardise)
- Canine sports physiology
- Response to greyhound inquiry/revisit 12 mths on
- More presence from farm sector

Research

- Kennel management/design (facility vs home vs free ranging vs paddock / single vs group) – what is optimal?
- Ways of sharing data among groups for mutual/industry benefit (e.g. genetic analysis)

Research

- Further development of cognition/learning theory applications/motivation research (e.g. comparing types of positive reinforcement)
- Activity budgets and nutrition requirements
- Social needs of dogs (livestock guardian dogs)

Changes to legislation/practices to improve working dog welfare/productivity

- Clarifying duty of care
- Transportation of/accessibility for dogs
- Educating stakeholders on laws/unifying legislation across states
- Greyhound industry transparency
- Higher level of resources committed to policing/enforcement

Working Dog Alliance

Year 2 activities

- Special interest groups (breeding, etc.)
- Identifying working dog best practice (collate via website)
- Consultation, planning for development and further working dog trainer education resources (ASQA)

Australian Working Dog Alliance Network Participants:

This is just the beginning

- Post-conference feedback via online form
- Extending the opportunity for workshop input via e-newsletter (help us engage others from your sector, from other sectors, from all sectors!)
- We thank you for being open to sharing, networking and learning – we've learned so much from you!
